Skilled in designing and deploying efficient **web applications**, with a focus on leveraging modern frameworks and tools like **React**, **Ruby on Rails**, and **Python**. Adept at collaborating in **agile environments**, delivering high-quality, scalable solutions. Continuously enhancing skills by exploring new **technologies** and **best practices** in **web development**.

EXPERIENCE

Sales Assistant
05/2023 - 02/2024

Elys Department store
London

- Developed strong communication skills by interacting with over **100 customers daily**.
- Gained experience in **resolving 90% of customer issues** and handling complaints, demonstrating an ability to think critically and solve problems.
- Built a strong understanding of customer needs and preferences through prioritising positive customer interactions.
- Utilised Shopify to streamline e-commerce operations, enhancing user experience, operational efficiency and **10% sales increase**.
- Demonstrated proficiency in leveraging Shopify for **30+ product listings** and daily sales tracking. Quickly adapting to new tools and technologies in a dynamic environment.

Laboratory Assistant
09/2022 - 02/2023

Chelsea and Westminster Hospital NHS Foundation Trust
London

- Entered patient data and test results into laboratory information systems, ensuring accurate, timely, and confidential record-keeping.
- Ensured precise preparation and labeling of samples of around **500+ samples a week.**
- Worked with **a team of 10+ laboratory technicians** and other healthcare professionals, building my ability to collaborate within diverse teams.
- Assisted in troubleshooting and maintaining laboratory equipment, developing problem-solving skills.

Pharmacy Dispenser
08/2021 - 08/2022

Kamsons Pharmacy
London

- Processed **50+ prescriptions daily,** adhering to strict legal and professional standards, showcasing an ability to adhere to protocols and best practices.
- Worked under the guidance of a pharmacist and coordinated with healthcare professionals.
- Managed multiple tasks, such as managing **inventory of 200+ medications,** processing prescriptions and maintaining stock, demonstrating strong organisational, time management skills and accuracy.
- Interacted with **100+ customers per week** to provide medical advice, ensuring communication was clear and concise.

EDUCATION

Full Stack Web Development Bootcamp
04/2024 - 06/2024

Le Wagon

- 9-week full time intensive coding bootcamp.
- Learned HTML5, CSS and JavaScript for front-end and Ruby and SQL for back-end.
- Pitched and led the idea for a mobile first app, Book your Sport. Worked in a team of 3 during an intense 2-week sprint to develop an MVP, ready for a live demo.

Biomedical Science
09/2018 - 07/2021

University of Roehampton London

- Modules included developing statistical analysis skills using SPSS.
- Dissertation: The effect of smoking cigarettes on cortisol levels in both males and females.

SKILLS

CSS · HTML · JavaScript · Stimulus · React · Next.js · Node.js · Ruby · Ruby on Rails · postgresSQL · Python · SQLlite · Heroku · Git · Github · Tailwind · SASS

PROJECTS

Book Your Sport

2024

- Pitched and developed a **mobile-first app,** for easy sport facility bookings.
- Led a team of three, using agile methodologies during a 2-week sprint.
- Used **Ruby on Rails** and implemented **Pundit**, **Geocode** and **Stripe.**
- Ensured code quality and consistency by reviewing pushed branches before merging, utilising GitHub for effective version control and collaboration.
- Leveraged Notion to organise and divide tasks among team members, ensuring clarity and alignment on project goals and milestones.
- Delivered our pitch to an audience of over 50.
- Book Your Sport.

Dog 4 a day

2024

- Developed a web app focused on lending dogs to dog-lovers for the day.
- In a team of 3, we worked in Ruby on Rails and implemented Pandit and Geocode.
- Implemented Scrum practices by participating in daily stand-ups, sprint planning, and sprint retrospectives, fostering a collaborative and iterative development environment.
- Dog 4 a day.
